Tom's Amazing Summer Holiday

Last summer, Tom and his family went to Sicily for their holiday. The journey took five hours by car and then they took a ferry to reach the island. They stayed in a small hotel near the beach for two weeks.

Every morning, Tom woke up early and ran to the beach. He swam in the clear blue sea and built sandcastles with his little sister, Lily. One day, they saw some dolphins near the boat during a boat trip. Tom was very excited!

In the afternoons, the family visited old villages and museums. Tom's mum bought some souvenirs at the local market — a small ceramic pot and a beautiful painted plate. Tom chose a fridge magnet for his bedroom.

On the last evening, Tom wrote a postcard to his best friend, Max. He wrote: "The beach is amazing! The sea is warmer and clearer than the sea at home. Sicily is the most beautiful place I've ever visited!" Tom didn't want to go home. It was the best holiday of his life.
